Suez Must Not be Used As National Waterway, Dulles Tells UN Council

UNITED NATIONS, N. Y. (AP)—The United States said today settlement of the Suez crisis depends on "insulation" of the waterway from international politics.

Secretary of State John Foster Dulles told the United Nations Security Council that unless Egypt agrees that the canal must not be used as "an instrument of national policy" by any country there is little hope of a negotiated settlement.

Dulles again voiced full American support for an Anglo-French resolution calling for international control of the waterway and urging Egypt to deal with the Western formed Suez Canal users' association while negotiating a settlement.

Dulles, the last speaker in the council's debate which included six foreign ministers before him, called for a Suez settlement "by peaceful means . . . in conformity with the principles of justice and international law."

Failure Should be Calamity

"The problem we face," he said, "is not that of restraining nations which are bellicose and which want

war. Nor is it the problem of creating a new body of international law, or for applying justice where the equities are confused.

"Peace is sought by all, and the principles of justice and of international law are clear. The problem we face is that of dealing concurrently with peace and justice, as is required by our U. N. charter.

"If our council finds itself impotent to secure a settlement by peaceful means in accordance with the principles of justice and international law, then our failure could be a calamity of immense proportions."

Dulles said the canal was Egyptian only in the sense that it passes through what is now Egypt.

"But the canal is not, and never has been, an internal affair of Egypt with which Egypt could do what it wanted," he said. "It has always been, from the very day of its opening, an international waterway dedicated to the free passage of the vessels of all nations."

"Its character as an international right-of-way was guaranteed for all time by the 1888 convention. Egypt can not rightfully stop any vessel or cargo from going through the canal. And for those who use that right-of-way to combine to secure the observance of their rights is not a violation of Egyptian sovereignty, but a clear exercise of rights accorded by international law, namely, the convention of 1888."

Go Into Secret Session

Egypt, Dulles said, not only had accepted this view in the past but had expounded it before the council in previous debates in 1947 and 1954.

"If such a waterway may be used as an instrument of national policy by any government which physically controls it," Dulles said, "then it is bound to be an international bone of contention."

"Then no nation depending on the canal can feel secure," he said. "All, but the controlling nation, are condemned to live under an economic sword of Damocles."

With all 11 council members and Egypt having been heard, the council planned to go into secret session at 4 p. m. in an effort to get down to a more frank discussion of Suez. The United States especially was counting on the secret talks to produce real results.

Stevenson Proposes New Health Program Under Gov't Guarantee

Calls for System Of Voluntary Medical Insurance

LIBERTYVILLE, Ill. (AP)—Democratic presidential candidate Adlai E. Stevenson has proposed a new health plan under which the federal government would guarantee blanket health coverage for even the penniless.

Stevenson, in a 4,000-word statement Monday night, called for a system of voluntary insurance to assure payment on a basis of need of hospitalization and medical expenses.

In outlining his "program for the nation's health," Stevenson said he was opposed to any system of "socialized medicine."

"I am equally strongly in favor of a program to make comprehensive private health insurance available on a voluntary basis to all Americans, so that no American will be denied good medical care for financial reasons," he said.

The statement was the third major outline of policy by Stevenson on a specific subject since the start of his presidential campaign.

Stevenson said more than 100 million Americans now have some form of health insurance, but only 3 per cent of the people have com-

Lions Governor to Visit Local Club

Howard W. Lee, Governor, Lions District 1-C, will pay an official visit to the Harrisburg Lions club Monday, Oct. 22, it was announced at the regular meeting of the Lions Monday evening.

It will be a ladies' night and all Harrisburg Lions and their ladies are urged to be present to greet Governor Lee.

It was also announced that the Lions district meeting would be held Friday, Nov. 2, at Carbondale. Delegates from the Harrisburg club will be Vice Presidents Bill Holloman and Amos Doom and Secretary Karl Wallace.

The club voted to have a float in the Harrisburg Township high school Homecoming parade Friday afternoon.

New members welcomed into the Harrisburg Lions were Phil Pittman, manager of the Brokerage, and E. M. Boswell, manager of F. W. Woolworth store.

Alaska to Elect Delegation in Statehood Bid

JUNEAU, Alaska (AP)—Alaskans went to the polls today to elect two unofficial U. S. senators and one representative to bolster the territory's bid for statehood.

The plan to send a "congressional" delegation to Washington to thump for statehood is similar to a device used by Tennessee just prior to its admission as a state.

It was adopted by Alaska's constitutional convention last winter and approved by a 3-2 margin at the primary election in April.

Also at stake are seats in the territorial Legislature and three top territorial offices but it was the Alaska-Tennessee plan that was the center of campaign interest.

For the six-year Senate term, Democrats nominated former Gov. Ernest Gruening of Eagle River to oppose Republican John Butrovich of Fairbanks.

Robert Atwood, Anchorage newspaper publisher, is the GOP candidate for the four-year Senate term. He was opposed by William Egan, Valdez, a veteran legislator and president of the constitutional convention.

For the unofficial "seat" in the House of Representatives, Alaskans had a choice between Democrat Ralph Rivers of Fairbanks and Republican Charles Burdick of Juneau.

Political leaders throughout the United States also kept an eye on the Alaskan voting which has become increasingly valid as a "barometer" in reflecting the presidential vote that normally comes several weeks later.

State to Draft 1,100 in December

CHICAGO (AP)—Some 1,100 men probably will be drafted in Illinois during December for the armed forces, Selective Service officials said Monday.

They will be part of the 17,000 men nationwide total called for the month by the Defense Department.

Eisenhower to Give Reply to Mis-Statements

Flies to Pittsburgh For Hard-Hitting Speech Tonight

WASHINGTON (AP)—President Eisenhower flies to Pittsburgh today for another "gloves off" speech answering what the White House called campaign "mis-statements" by Adlai E. Stevenson.

White House Press Secretary James C. Hagerty made clear that Mr. Eisenhower again would use the direct, hard-hitting pitch for votes he employed last week in addresses at Cleveland, Ohio, and Lexington, Ky.

"The President will take up some of the mis-statements that have been made in this campaign by the opposition and answer them factually," Hagerty told newsmen.

The speech, before a Republican state rally at Pittsburgh's Hunt Armory, will be carried over a NBC radio-television network to a nationwide audience, 9-9:30 p. m. EDT.

To Confer With Republicans

Mr. Eisenhower was scheduled to leave Washington at 3 p. m. EDT aboard his personal plane, Columbine III, for a 55-minute flight to Pittsburgh. Before his speech, he will confer with Republican Sen. James H. Duff and other Pennsylvania GOP leaders in the presidential suite at the Penn Sheraton Hotel. He will fly back to Washington immediately after the speech.

Mr. Eisenhower picked Pennsylvania for today's nine-hour trip in his expanding campaign schedule because of the importance of the state's 32 electoral votes and to give Duff a helping hand in his race for re-election. Duff has tough opposition from Joseph S. Clark Jr., former Democratic mayor of Philadelphia.

This is the fourth time Mr. Eisenhower has hit the road in a drive for votes in the current campaign. His campaigning is being done in states where the GOP presidential ticket is considered in possible danger or the party's senatorial candidates need the help of a personal appearance by the President.

The President will go to Minnesota, Washington and Oregon next week. But Hagerty said there is little chance of Mr. Eisenhower making another one-day campaign trip this week after he returns from Pittsburgh.

Muddy to Get Street Lights

The village of Muddy will have street lights in the near future.

John Molinaro, president of the village board, today announced that the village corporation has entered into a 10-year street-lighting agreement with the Central Illinois Public Service Co. and that the village has granted the CIPS a 50-year operation franchise.

The negotiations were completed last night.

The street-lighting agreement calls for new type teardrop enclosed light fixtures. Ten lights will be installed at the outset with from 10 to 20 more planned for the future, Mr. Molinaro stated.

Plan 4,000 Mile Per Hour Rocket Plane

By CHARLES CORDDRY
United Press Staff Correspondent

WASHINGTON (AP)—The government is planning a rocket-powered research airplane that will fly well over 4,000 miles an hour, it was learned exclusively today.

It may be ready to fly in about two years.

Designated the X15, the spectacular little craft is expected to reach altitudes well above 200,000 feet, or more than 38 miles.

The airplane is under joint development by the National Advisory Committee for Aeronautics, the Air Force, the Navy, and North American Aviation, Inc., Los Angeles. It has been mentioned in congressional testimony, but details have not been announced.

The X15, if it performs as planned, will carry man at speeds more than twice as fast as those achieved to date in a research plane and about three times as fast as those flown by any warplane known to day.

The X15, latest in a string of research craft with which the United States has explored the mysteries of high speed and high altitude, will exceed the currently fantastic records achieved by the X2 rocket ship.

Before it crashed on Sept. 27, the X2 had been flown to a reported altitude of 126,000 feet, about 24 miles, and at a speed of 1,900 miles per hour.

The X15 will fly so high that normal aircraft controls will be of little or no value. Instead of such control surfaces, it is expected to have small rockets, mounted at the wing tips, to control its direction.

Remodeling of Old Houses Subject Of Rotary Talk

The remodeling of old houses was the subject of guest speaker Ray Durham before the Rotary club Monday at noon. He was introduced by program chairman Harry Ertan.

Mr. Durham said that many times an old house can be remodeled much cheaper than it would cost to build a new house like it. He spoke of the scarcity of high grade lumber and of certain kinds that can no longer be obtained. Many houses, according to Mr. Durham, can be greatly changed in appearance simply by taking off a porch, adding a room, lowering or raising the roof, or by putting in different windows. He said that there are several good houses in Harrisburg which could be bought and remodeled at a low cost.

It was announced at the meeting that ladies' night will be held Monday night, Oct. 22, at Eddyville.

Half Brother of Carl Corrie Dies

Fred R. Corrie, half brother of Carl Corrie of Harrisburg, died this morning at his home in Greggton, Texas, where his funeral and burial will take place. He was a native of Bridgeport, Ill., and was in the paint business for a large oil company in Texas. He had visited Mr. and Mrs. Corrie in this city several times and will be remembered by some of their friends.

A heart ailment was the cause of his death, which was very unexpected. He was around 60 years of age.

HTHS Homecoming Activities to Begin With Pep Meeting Thursday

Queen Will Be Named; Parade Friday Afternoon

This is the annual Homecoming Week at Harrisburg Township high school and festivities include an outside pep meeting, parade, Homecoming Queen crowning, football game and dance.

Activities will start at 7 p. m. Thursday at Taylor Field, where there will be a pep meeting around a huge bonfire. Bull Dog Coach Lawrence Caluffetti will introduce his team members and reveal the name of the young lady selected by the team to reign over Homecoming.

Queen candidates are Sandra Lasseter, Joan Seright, Pat Hodson and Judy Franks.

The Homecoming parade will begin Friday at 4 p. m. and as part of West Church street will be torn up because of the ditching to lay telephone cable, one change has been made in the parade route.

To Select Parade Winners

Instead of moving up South Webster, where the parade will form, to Church street, the procession will turn eastward onto South instead of going up one block farther to Church. It will move on South to Main, then north on Main and around the square, out West Poplar to McKinley and south on McKinley to Sloan.

There the parade will remain in formation until winners have been announced. Winning entries will proceed to Taylor Field immediately and park at the south end of the field. They will be presented at halftime and awards will be given. The queen and her attendants also will be presented.

Because of the change in the parade route, the committee has asked entries to form one block farther south on Webster than the announced instructions designate.

Parade Classes

Parade awards will be given in four classes as follows:

Class A—School organizations: Floats, \$3 for first, \$2 for second and \$1 for third. Decorated cars, \$3 for first, \$2 for second and \$1 for third.

Class B—Alumni: Floats, \$3 for first, \$2 for second. Decorated

Claims Aid to GOP in 1952 From Own Funds

Former Auditor Excused After Rebuke For Evading Questions

CHICAGO (AP)—Deposed State Auditor Orville Hodge testified today he spent \$200,000 on "political contributions."

Hodge, now serving a prison term for his \$1,300,000 raid on the state treasury, testified before the Senate Banking Committee.

He said his contributions to the Republican campaign in Illinois in 1952 came from his own funds.

Committee Chairman Sen. J. William Fulbright (D-Ark.) expressed doubt.

Hodge said he spent \$150,000 on the 1952 primary and \$50,000 on the election.

Earlier, Hodge said he could not recall what he did with \$85,000 handed him in a lump sum by a bank teller during his looting of state funds.

Fulbright promptly accused Hodge of lying.

At one point, the former playboy politician who lived in the lap of luxury said he is worried now about how his wife will be able to make ends meet.

Hodge, who began testifying at the opening session of the hearing Monday, was excused today after Fulbright rebuked him severely for evading questions.

State's Atty. John Gutknecht of Cook County (Chicago) asked the committee for a transcript of Hodge's testimony for use in his own continuing investigation into the Hodge scandal and its ramifications.

Says Not Covering Anyone

Hodge told Fulbright he paid income tax on \$150,000 last year but did not pay tax on the money he took from the state.

Hodge and Fulbright got into a wrangle over the disgraced politician's story of the \$85,000 he got from Ralph Schlitz, an employee of the Southmoor Bank and Trust Co. of Chicago.

Schlitz testified Monday he handed the cash, in large bills, to Hodge's assistant, Edward A. Epping, in return for \$85,000 in fraudulent state checks signed by Hodge. Epping and Hodge had flown to Chicago on Oct. 14, 1955, to pick up the cash.

Hodge insisted he could not remember what he did with the money.

"Mr. Hodge, you mean to say that you did business on such a big scale you can't remember what you did with \$85,000? Mr. Hodge, you're lying to this committee," Fulbright said.

When Hodge insisted that he made loans to state legislators from his personal funds rather than from money he stole, Fulbright said:

"You know that's ridiculous, Mr. Hodge."

Before excusing the former state auditor as a witness, Fulbright said:

"Our system of government gives paroles, but you have been very uncooperative. If you're covering up for others, you are ill advised."

"I'm not covering up for anyone," Hodge said.

Hodge, on the witness stand for the second day, said he has returned \$600,000 to the state.

Fulbright said the total he took was about \$1,300,000.

"That leaves \$600,000 or \$700,000 you haven't given back," Fulbright said. "That's a large sum of money for one individual to spend in 2-1/2 years—a quarter of a million dollars a year."

"You couldn't possibly have forgotten what you did with that money,"

About Town

And Country

By TIMOTHEUS T.

WHEN A FELLOW wants something local to write about, he doesn't have to go a bit farther than right around here to find it.

This bit of dissertation should fall into the "We Grow 'Em Dept." but since we already have started pecking out words on the typewriter, we'll let it ride this one time.

First part of today's effort deals with seven apples and one sweet potato. The second with an old clipping.

MRS. FRED ANNIS of 816 West Lincoln avenue brought in the sweet potato and at a distance it looked more like an adolescent pumpkin.

It wasn't as big as a real big pumpkin but the potato was big enough to weigh five pounds, four ounces, and will keep a family of two in sweet potatoes for six or eight meals. I've already started counting off the meals.

Mrs. Annis grew the sweet potato on John Endsley's lot on Raymond avenue, she reported.

LOGAN STEVERS of Harrisburg Route 2 brought in a small branch from one of his apple trees and clustered together were seven normal-sized, normal-shaped apples, all good to eat or cook.

The apples came off one of his nine Stamen winesap apple trees and they were a very good indication of the bumper crop Mr. Stevers got this year.

One tree, he said, produced 40 bushels of apples.

Mr. Stevers credited lily fungus for the exceptional prolificness of his apple trees.

"I dig it in around the trees," he said.

"Did you get it around here?"

"No, I got it in Lake county, Indiana, and brought it home with me."

"Do you know where you can get it around here?"

"No."

ROBERT WILSON and Mrs. Wilson of 721 South Ledford street brought to me an aged clipping which Mrs. Wilson found in an old book she had bought.

The clipping, from the old weekly Globe-Democrat, carries the advice of Thomas Jefferson and Andrew Jackson.

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says:
Congress Probes Price Fixing
By Vaccine Producers: Eli
Lilly Co. Almost Trebled Profits;
Illinois Insurance Mess
Was No Secret To Under-
writers.

WASHINGTON. — The Foun-
tain subcommittee of Congress is
about to explode a new polio-
vaccine scandal. Congressman L.
H. Fountain (D., N. C.) will hold
hearings beginning Wednesday on
how the polio companies allegedly
conspired to overcharge the gov-
ernment for polio vaccine. Mil-
lions of dollars are involved.

Congressman Fountain points
out that the 84th Congress appro-
priated \$44 million for the pur-
chase of vaccine, plus another \$7
million that could be used either
for buying vaccine or for admin-
istrative costs.

His investigators find that the
largest of the vaccine producers,
Eli Lilly & Co., presumably set
the price on bidding. From Octo-
ber 1955 to February 1956, Lilly
bid \$7.13 for 9 CC's. The other
four vaccine producers bid \$7.12.
From February 1956 until June
30, 1956, Lilly bid \$6.34 for 9 CC's.
All the other companies bid one
cent lower, namely \$6.33. For the
June 30, 1956, to June, 1957, pe-
riod, all five companies bid \$5.70
for 9 CC's.

The other four companies are
Wyeth Laboratories, Sharp &
Dohme, Pittman & Moore, and
Parke-Davis.

The Fountain committee will
charge that these five companies
got together to set high prices
for vaccine, because they knew of
the terrific public demand and be-
cause they also knew that the
government had appropriated am-
ple money.

Basil O'Connor, chairman of the
Polio Foundation, has informed
me that he borrowed \$9,000,000 to
advance to the drug companies to
get them to manufacture the Salk
vaccine in large quantities. O'Connor
said he was sure from advance
experiments that the Salk

vaccine was sound, and he wanted
the children of the nation to get
it just as soon as possible.

Prior to this, the drug com-
panies had not been willing to
take a chance on mass produc-
tion. Dr. Jonas Salk had patient-
ly propositioned some of the top
drug companies, but all except
Parke-Davis in Detroit turned him
down. They weren't ready to in-
vest any money in advance,
wanted to be sure they had a
hard-and-fast proposition.

It was after this that Basil
O'Connor borrowed \$9,000,000 and
advanced it to the drug compan-
ies. However, out of the first
500,000 CC's did not go to the Pol-
io Foundation, which advanced
the money, but was shipped to
the drug companies' regular com-
mercial distributors.

Since then the Eli Lilly com-
pany in Indianapolis has almost
trebled its profits. It announced
that last year's profits jumped
from \$6,800,000 to \$16,800,000.

FRIGHTENED INSURANCE MEN

Some businessmen are gluttons
for punishment. They also don't
realize that they won't have clean
government unless they help to
keep it clean.

To illustrate, the Bible of the
insurance industry, the "National
Underwriter," has just made an
amazing confession. The St. Lou-
is Post-Dispatch unearthed the
fact that in Illinois the law firm
representing the insurance com-
mission collected exorbitant fees
from out-of-state insurance com-
panies.

Following this, "National Un-
derwriter" confessed that insur-
ance men had known this for a
long time but were afraid to do
anything about it.

Ordinarily it costs less than \$100
for an insurance company to reg-
ister in any state of the 48 states
to do business. But in Illinois it
costs around \$5,000, all because of
so-called "legal fees" paid to the

brother of the commissioner of Il-
linois.

"Insurance men throughout the
country have been appalled by the
situation in Illinois," admits the
"National Underwriter," "but
they have kept their opinions to
themselves. It was felt no good
would be done the cause of state
regulation to air the dirty linen
from Illinois. . . . While insurance
people, for these and other rea-
sons, would not initiate publicity
concerning the Illinois depart-
ment, we are sure they welcome
it now that it has been developed
by an outside source.

"There is practically nothing in
the Post-Dispatch articles that
isn't known to nearly every in-
surance man in Illinois and many
more across the country. It has
been a sort of open secret. The
companies decided to play out the
string and hope for the best. The
bureau people were reluctant to
bring the case out in the open."

MERRY-GO-ROUND

Senator Kefauver has cut down
his smoking. Now puffs six cigar-
ettes a day. He used to be a chain
smoker. . . . The League of United
Latin American Citizens repre-
senting Spanish-American citizens
in this country has passed the
word to its members to vote
against Vice President Nixon.
They don't like his record on civil
rights. . . . Prime Minister Nehru
has agreed to visit the White
House in December for his long-
delayed conference with President
Eisenhower. If Eisenhower is de-
feated in the election, Nehru will
spend more time talking with
Stevenson than with Ike. If the
Democrats win, he will try to per-
suade them to send Chester Bow-
les, ex-governor of Connecticut,
back as ambassador to India.

NO BONE FOR CONTENTION — Two-year-old Peta Louise Skingley's boxer, Thor, is named after the Scandinavian god of war, but there's no hassle between the two over this juicy soup bone. When the young Londoners have a bone to pick, they chew over the subject and digest the matter amicably.

Sronce-Knapp Newlyweds Residing at Pinckneyville

In an impressive candle-lit ceremony which took place Saturday, Oct. 6, at the First Baptist church, Mrs. Mabel Sronce, daughter of Mrs. Eva Holman, Harrisburg, became the bride of Calvin Knapp, Pinckneyville.

The Rev. Howard Todd Taylor performed the wedding service at 8 o'clock in the evening.

Only attendants were Mr. and Mrs. Ward Woolard, son-in-law and daughter of the bride.

The bride wore a suit of luggage brocade, with white accessories, and an orchid corsage.

Mrs. Woolard wore a blue suit with pink and white accessories, and a corsage of white carnations.

Lloyd Rice Jr., Carrier Mills, sang "Always" and "I Love You Truly," accompanied by Mrs. William McElrath.

Miss Judy McElrath, candle-lighter, wore a corsage of white baby mums.

For her daughter's wedding Mrs. Holman wore a blue dress with black accessories and a corsage of white carnations.

Ushers were Herschel Graf, Du Quoin, and Jewel Barger, Murphysboro.

A wedding dinner at Nick's cafe on U. S. 45, in the private dining room followed the wedding ceremony. Those attending the dinner were Mr. and Mrs. Nelson Knapp, Mr. and Mrs. Ray Allen Knapp, and son, Teddy, Pinckneyville; Mr. and Mrs. Herschel Graf, Du Quoin, Mr. and Mrs. Jewell Barger, Murphysboro, Mr. and Mrs. Jack Adams, Eldorado; Mrs. Eva Holman, Mr. and Mrs. William McElrath and daughter Judy and Mr. and Mrs. Ward Woolard.

Mr. and Mrs. Knapp will reside on RFD 2, Pinckneyville. He is employed as a welder by the Trux-Traer Coal Company at a large mine near Pinckneyville.

Mrs. J. A. Musgrave Tells Of European Tour At Woman's Club Meeting

The Harrisburg Woman's club met yesterday afternoon in the club room of the public library for a most interesting program on "International Relations" under the direction of Mrs. J. B. Blackman.

Mrs. E. Bishop Hill, president, conducted the business meeting which opened with the Pledge of Allegiance led by Mrs. Ray Johnson. Minutes of the previous meeting were read by the secretary, Mrs. Hugh Walker, and Mrs. Hudson Mugge gave a report on the treasury.

Mrs. Hill then presented Mrs. J. L. Miller, president of District 24 of the Illinois Federation of Woman's Clubs, who briefly summed up the day's activities of the district board meeting held Sept. 27 at the Methodist church in Fairfield.

Mrs. Hill recognized several guests who were present, several of them coming to America from other countries. Among the guests was Mrs. John Hill from the principality of Monaco who gave a short talk on her native land.

The president then presented Mrs. Blackman, chairman of the program for the afternoon. Mrs. L. N. Davenport sang a lovely song entitled "God Painted a Picture," accompanied by Miss Frances Cummins at the piano.

A most appropriate and inspiring meditation, "God and the Nations," was given by Mrs. J. R. Metcalf.

Mrs. Blackman then presented the speaker, Mrs. J. A. Musgrave, who gave an interesting talk on the "Highlights of My European Tour." Mrs. Musgrave left New York on the ship "Italia" on July 11 and was on the water for eleven days. Her ship landed in France and from there she visited many scenic and historic places and cities in eleven countries. She returned the latter part of September by plane.

Refreshments of Hawaiian punch and dainty cookies were served at a table covered with white lace and centered with a fall arrangement.

ment of pyrocanthia and straw flowers. Mrs. Blackman presided at the punch bowl.

Hostesses were Mrs. Ed Gaskins, Mrs. Ralph Brown Sr. and Miss Sally Guard.

Assisting with refreshments were Mrs. K. C. Capel, Mrs. M. P. McDonald, Mrs. Glynn McCormack and Mrs. Stanley Wilson.

Uncle Johnie Travelstead Observes 90th Birthday

Uncle Johnie Travelstead of Sikeston, Mo., observed his 90th birthday Sunday, Oct. 7, at his home with his two daughters, Miss Lillie Travelstead and Mrs. Ethel Council.

The traditional long table in keeping with the family reunion for a Happy Birthday was extended through the dining room and living room with four large beautifully decorated cakes placed in the center. Everything made for a lovely birthday dinner.

Mr. Travelstead received many gifts.

Those present from Harrisburg were his brother, Joe Travelstead, Mr. and Mrs. Fred Bailey, Mr. and Mrs. Merle Dailey and children, Mike, Stephen, Maria and Perry, Mr. and Mrs. Leslie Pearce and daughter, Sharon, Mr. and Mrs. Priestly Hilliard and family, Dick, J. D. and David, Mrs. Gladys Hilliard, Robert Hilliard, Mr. and Mrs. Paul Hilliard, Mr. and Mrs. Bob Rose, Mrs. Beulah Barnes.

All departed at a late hour wishing "Uncle" many more birthdays.

Revival Closes

A revival closed Sunday night at the Keelen Hill General Baptist church in Hardin county where Rev. Reed is pastor. There were 13 conversions. Rev. John Henshaw evangelist, and Rev. Reed wish to thank those who helped.

Prolific Signer

Benjamin Franklin was the only one to sign all these four important documents: the Declaration of Independence, the Treaty of Alliance, the Treaty of Peace, and the Constitution of the United States.

Calendar Of Meetings

The Alpha circle of the First Presbyterian church will meet with Mrs. Lowell W. Moore, 310 West Mable, tonight at 7:30.

The meeting of the Women's Guild of the First Presbyterian church has been postponed until Wednesday, Oct. 17.

The V. F. W. Ladies' Auxiliary will meet Wednesday at 7 p. m. at the VFW home to work on cancer bandages.

The Eagles Auxiliary will meet Wednesday at 7:30 p. m. Everyone please come masked and bring a sack lunch. Barbara Vick, president.

The Bible Sunday school class of the First Church of the Nazarene will meet at 7 p. m. at the home of Mr. and Mrs. Bill Hughes on RFD 2 for a Halloween celebration and regular business session. All members are to come masked. Visitors welcome.

The Esther Sunday school class of the McKinley Avenue Baptist church will meet Thursday at 7 p. m. at the home of Mrs. George Harbison for the regular social and business session. Officers will be elected and all members are urged to be present.

The Euzelian class of the McKinley Avenue Baptist church will meet today at 7 p. m. at the home of Mrs. Bob Mitchell, 33 West College. Every member is invited.

Two Nurses Give HTHS Vision Tests

Ruby Turner and Mary Gassaway were the two registered nurses who gave the eye tests to students of HTHS.

"When a vision test is introduced into a school, students fear that the faculty and principal are trying to make everyone wear glasses. This is not the purpose but to test visual performance and refer those in need of care to an optometrist, of their choice. They are not forced to take any action against their will," stated Eltis Henson, HTHS principal. Students, who wear glasses, did not have to take the test.

Births

To Mr. and Mrs. Vinson Newsom, Shawneetown, a girl named Rosanna Verbena, weighing eight pounds, born Oct. 6 at the Harrisburg hospital. The mother is the former Marilyn Williams.

TO CONDUCT REVIVAL—Dr. Paul Jones (left) of Hillsboro, Ohio, will preach during revival services at the First Christian church Oct. 18 to 28. He has been with the Hillsboro church 15 years and the attendance there has more than tripled. Wallace Gardner (right) of Rushville, Ind., will be in charge of the music and youth program for the revival. The pastor, the Rev. Glen Daugherty, announces services will be held each evening except Saturday during the revival at 7:30.

Student Council Announces HTHS Activities

The HTHS Student Council has recently announced a list of activities for this fiscal year. College night will again be held to help upper classmen in selecting a college. The Student Council will exhibit the National Photographic contest winners and sponsor lyceums, fire drills, and the Marlin Dance Revue, proceeds of which are donated to the Student Council. Since this is election year, a mock presidential election will be held.

A slate of new ideas has been discussed, but not yet approved. Among these are the possibilities of resuming the Pow-Wow, having a May Queen and dance, and having Parents' night. At the latter a mock Student Council meeting would be held. To be assured of proper procedure this year, a parliamentarian, Joe Gaul, has been appointed.

A Student Council Corner might appear in The Daily Register and the minutes read to the student body so that school and public may know of its activities.

It is possible this year that a rotating sportsmanship trophy will be presented to the school in the South Seven conference whose spectators are the best sports.

The Student Council states it realizes that there are individuals or organizations in the school with ideas or problems the Council could help them with and it encourages students to come before the body.

Officers this year are Charles Cummins, president; Brian Jones, vice president; Anne Endsley, secretary; and Alicenell Bean, treasurer.

Mrs. Muriel Thomas Entertains Gaiety Club
Mrs. Muriel Thomas entertained the members of the Gaiety club Wednesday evening.

Mrs. Oshia Austin, Mrs. Marie Fife Harris and Mrs. Zadia Holmes were guests.
After a short business session games were played and prizes awarded to Elsie Lea Ammon, Elsie King, Lucille Russell, Pearl Field, Marie Harris, Oshia Austin, Zadia Holmes, Alma Jean Van Hoy, Aline Hart and Lorelei Jennings. The door prize was awarded to Lucille Russell and the grand prize to Elsie Lea Ammon.

Refreshments of banana nut cake topped with whipped cream and coffee were served by the hostess.

Vonnie Beggs Hostess to Sorority Club Members

The Sorority club members met recently at the home of Vonnie Beggs.

Game prizes were won by Jo Gilchrist, Judy Smith, Bonnie Bolin, Rosemary Nicholson and Nellie Yocum.

A mystery pal gift was awarded to Jo Gilchrist.

Nina Patton was winner of the door prize.

A Halloween party was planned for the members and their husbands Oct. 29 at the Masonic temple.

Refreshments of chicken salad sandwiches, Cokes, potato chips and cookies were served to Judy Smith, Gwen Wilson, Jo Gilchrist, Rosemary Nicholson, Marjory

Whiting, Bonnie Bolin, Nellie Yocum, Nina Patton, Winnie Craig and the hostess, Vonnie Beggs. The next meeting will be Oct. 19 at the home of Bonnie Bolin.

The Intermediate department of the Training Union of the Carrier Mills Baptist church met at the church Tuesday night for organization and a social. The new leaders are Mr. and Mrs. Harry Yocum Sr. They invite all of intermediate age to attend Sunday night at 6.

The Baptist churches in Saline Association began a new association year Oct. 1. A new church joined the association at the annual meeting held at Bankston Fork last week. The church was Equality First Baptist. It was organized Sept. 23 by the regular procedure of the denomination. The pastor of the church is Rev. Clayton Humphrey, former Association Missionary for Big Saline and Antioch. Rev. Humphrey has a good record of his work wherever he is located. This church has almost 50 members.

The Boy Scouts of Troop 17 sponsored by the Baptist church did a good turn last week by taking around posters for the special "get out and vote" program. These alert boys with their Scout Master, Leslie Reeves, have given Carrier Mills a new appreciation for the Boy Scout work of America. Another special camping trip is being planned as a winter camp of about two days, Scout Master Reeves announced last week.

Although sanitary measures can readily control it, cholera still kills about 200,000 persons a year, according to the Encyclopedia Britannica.

Plant
your dollars in the
right places...
and they can grow more dollars
for you. Any questions?

You: Yes, I have a question. How do you "plant" dollars?
We: By investing them in a good strong growing company... either by buying its bonds to get interest or its stock to get dividends.
You: And where do I find this good strong growing company?
We: The stocks and bonds of a great many are listed on the New York Stock Exchange.
You: But don't you have to be a plutocrat to buy stocks and bonds?
We: Good heavens, no. Two out of three shareowners have incomes under \$7500 a year. In buying stock they've put their extra money to work to bring them extra income in addition to their jobs. Some are investing as little as \$40 every three months through the Monthly Investment Plan.
You: How do I know which companies to choose?
We: Got money left over after paying the bills and providing for family emergencies? Next move is to get the facts about the company—profits, dividends paid, etc.
You: Which will grow money for me better—stocks or bonds?
We: When you buy bonds, the company owes you money. It promises to pay interest, usually at a fixed rate, and to return the amount of the loan. When you buy common stock you become part owner of the company and you share in its profits. If there are no profits there are usually no dividends. If profits are bigger your dividends are usually bigger. And if the company grows, both your income and the value of your investment can grow too.
You: Do I buy directly from the New York Stock Exchange?
We: No. You buy or sell through a broker. The Exchange itself doesn't buy or sell securities. It's the nation's great market place where the stocks and bonds of more than 1,100 leading companies are bought and sold by brokers for people like you.
You: Where do I start?
We: With our fascinating little free booklet "DIVIDENDS OVER THE YEARS" which lists more than 300 stocks on the New York Stock Exchange that have paid dividends every year from 25 to 108 years, showing which ones yield from 5% to 6% at recent prices, which have paid progressively higher dividends over the last ten years, which are most favored by financial institutions... and much more, including information about the convenient Monthly Investment Plan which enables you to invest as little as \$40 every three months.
You: Where do I get that wonderful booklet?
We: Clip the coupon or drop in on the nearest Member Firm of the New York Stock Exchange. You'll get a cordial welcome there. They'll give you facts and advice and they'll help you to plan a sensible investment. Don't you think it's time to consider planting dollars to grow income? Send in the coupon now before you forget.

Doctors Remove Remaining Eye to Save Life of Boy, 5, from Cancer

ATLANTA (AP) — A little boy's bravery in facing an operation to remove his remaining eye gave his parents hope today that he can live happily in a world of darkness.

Doctors performed the operation on 5-year-old Johnny Pair Monday as the only means of saving his

life from cancer. They announced he now has a "reasonably good" chance to live.

Johnny gazed at his relatives, hugged a fluffy toy lamb and submitted to an anesthetic without a whimper although he knew he was about to become blind.

While waiting in the hospital reception room the youngster startled members of the family by closing his eyes—the good one and the one left vacant by a previous operation—and pretended to grope about.

"This is the way I'll have to get along after the operation," Johnny said.

But Mrs. Bessie Pair, Johnny's young, attractive mother, and her estranged husband, Arnold Pair, knew that Johnny's worst moment will come when he discovers the meaning of real blindness.

Mrs. Pair had immediately consented to the operation when doctors announced a month ago that nothing else would save Johnny's life, but Pair withheld his consent until Monday.

"I've cried myself to sleep almost every night since I decided," Pair said.

Pair gave as one reason for his indecision the fact that doctors could not assure him Johnny would live, even in blindness. Pair said in that case he preferred for Johnny to see as long as he could.

A brief medical statement issued after the operation said however, that the latest clinical and laboratory studies still showed no evidence of the spread of cancer to other parts of the body.

Actress Fails To Appear for Television Show

NEW YORK (AP) — Actress Margaret Sullivan's failure to appear for a scheduled television show Monday night created a mystery today at her whereabouts.

The Columbia Broadcasting System cancelled "The Pilot," a play which was to have been presented live on its "Studio One" program from 10 to 11 p. m. EDT with Miss Sullivan in the starring role.

When Miss Sullivan, who had rehearsed the play for 10 days, did not report for a dress rehearsal Monday afternoon, CBS contacted her agent, Miriam Howell.

Miss Howell said later she had spoken to Miss Sullivan's husband, Kenneth A. Wagg, who said he had not seen his wife all day.

Wagg, reached by telephone later at his Greenwich, Conn., home said:

"My wife was taken ill this morning. She hasn't been well for some time. I think it is probably the strain again."

The actress relinquished her role in the Broadway play, "Janus," several months ago because of nervous strain.

Wagg denied reports that his wife's whereabouts were unknown and insisted that CBS had been informed that Miss Sullivan would not be able to appear.

"She is in a hospital and I would prefer not to say where she is."

Believe Robbery Staged by Fugitive

ST. LOUIS (AP) — St. Louis police believe armed fugitive Charles William Ayers Jr. may have been the robber of a savings and loan company Monday.

The convicted kidnaper, missing from the city jail since Saturday, is still at large, although his companion in the escape, Charles W. White, was captured by police Sunday night.

Police said Ayers may be the bandit who took \$792 from the Roosevelt Federal Savings and Loan Assn., 2132 E. Grand Blvd. A 22-year-old cashier, Sally Holliday, was injured when the robber shot her with an air pistol.

Police sought to question Ayers about another holdup occurring Saturday night at a drugstore. Two bandits took about \$350 from a store at 1901 Madison St.

Gov't Reports Increase in Weekly Earnings

WASHINGTON (AP) — Average hourly pay of factory workers hit an all-time high of \$2 last month, the Labor Department reported today.

It also said that:

Average weekly earnings of factory workers rose to a record \$81. The number of job holders on non-farm payrolls in September reached a record high of 52,100,000 persons — 135,000 more than the previous record last December. In this category there was a rise of 250,000 from August to September, with factory employment alone increasing by 24,000 to 17,100,000 workers.

The Commerce Department reported last week that total employment declined last month but set a September record of 66,100,000 persons and that unemployment declined to 1,998,000 persons from 2,195,000 in August.

The Labor Department said that despite the record level of non-farm employment, the rise in both factory and total non-farm jobs was smaller than usual for this time of year. It said this was mainly because employment in contract construction and automobile manufacturing declined more than usual for this time of year and retail employment rose less than usual for the season.

Non-farm employment in state and local governments, however, rose to a record level as the fall school semester started, the department said.

Two Little Girls Killed by Truck

CHICAGO (AP) — An inquest was to be held today into the truck deaths of two little girls.

Barbara Swanson, 4, and Frances Breedwell, 5, were killed Monday by a truck driven by James Denos, 60, father of five children. Denos was charged with reckless homicide and negligent homicide and was released on \$6,025 bail. He told authorities he never saw the girls but stopped his truck after noticing a bump and then discovered the accident.

Police said the small girls, who had been playing on a sidewalk near their homes, may have run into the street and under the truck. Police also revealed they have been unable to locate any witnesses to the accident.

GOP On the Run, Truman Claims

PITTSBURGH (AP) — Former President Truman, campaigning in the same area where President Eisenhower will make a major political speech tonight, said today the Democrats have the GOP on the defensive and "as of now we have them licked."

Mr. Truman, while declining to make a flat prediction on the outcome of the November election, told a news conference here that the Democrats are scoring because "we got the President out on the road."

The former President arrived here Monday night and at a party rally accused President Eisenhower of throwing "wild punches and low blows" in an effort to hide the record of the Republican administration.

Court Refuses to Block Construction Of Hells Canyon Dams

WASHINGTON (AP) — The U. S. Circuit Court of Appeals refused today to block private construction of three dams in the Hells Canyon region of the Snake River. A three-judge panel of the court said it could find no instance in which the Federal Power Commission "went beyond the confines of the Constitution of the governing statute" in issuing licenses for the dams.

Jet Crashes Into Vacant Lot

MASCOUAT, Ill. (AP) — An F86 jet plane from Scott Air Force Base crashed in a vacant lot in a residential area here today.

Fire trucks from the base put out the brush fires which followed the crash and the pilot of the plane, Lt. Roger A. Pile, 24, Linden, N. J., parachuted safely.

Officers at the base said Pile was approaching for a landing when he noticed he was having oil line trouble. Shortly thereafter, he called again to say he was bailing out.

Pile is a member of the 85th Fighter Interceptor Squadron.

An exciting yarn — glass marbles and Texas Eastern!

TEXAS EASTERN SERVES THE COMPANIES THAT SERVE YOU
White-hot batch of glass ingredients being heated to 2600°F in natural gas-fired furnaces prior to processing by the "marble" machines. Gas is supplied to the Owens-Corning Fiberglas plant in Newark, Ohio, by Ohio Fuel Gas Company and National Gas & Oil Corporation, both customers of Texas Eastern.

Natural gas transported by Texas Eastern aids in the production of beautiful draperies and other fabrics made from incredibly fine glass fibers manufactured by Owens-Corning Fiberglas. The company also manufactures a wide range of other insulation and textile products. Natural gas is used in the huge melting furnaces where raw materials are converted to glass and in vital curing operations. In producing this vast array of products from glass, temperature control is critical... cleanliness is a must... and economy is a necessity. Natural gas fulfills all these requirements.

Larsen's Wife Asks Court to Attach Check

NEW YORK (AP)—Don Larsen may not be paid for his World Series perfect game for some time, if his wife is successful in having his Series share attached by the courts.

While the 27 year old star pitcher was achieving baseball immortality at Yankee Stadium Monday, it was disclosed at nearby Bronx Supreme Court that Vivian Larsen, his estranged wife, had filed a court complaint for non-support of her and their 1-year-old daughter.

Justice Sam H. Hofstadter issued a show cause order requiring the Yankees and baseball Commissioner Ford Frick to show in court next Monday why Larsen's Series shares—which could

run between \$6,000 and \$10,000—should not be withheld.

Mrs. Larsen claimed in her complaint that the big pitcher deserted her and their daughter, Caroline Jean Larsen, and that the Bronx Supreme Court ordered Larsen on July 16 of this year to pay her \$60 a week in support money. She said Larsen was \$420 behind in his payments.

Carmi Star Player Accidentally Shoots Himself in Foot

CARMI, Ill. (AP)—Carmi High School will be without the service of Bob Setser, its star quarterback, for an indefinite period. The 145-pound junior accidentally shot himself in the foot Sunday with a .22 caliber pistol.

Sandefjord, Norway, is the world's chief whaling port.

Six Champs Named In Annual Golf Club Tournament

Out of 144 payers who started the annual golf championship tournament at the Harrisburg Golf club, six champions emerged in the 18-hole play-offs Sunday.

Play was begun in the six classes several weeks ago, with certain dates set for completion in each bracket. Four classes—16 players in the men's and women's championship and men's class A and 32 players each in the women's A class and men's B and C class began the competition, with 12 finalists starting play Sunday.

Jake Humphrey was winner over Toby Pelhank in the men's championship class with Mrs. Gene Bland defeating Mrs. Charles Kurto in the women's championship.

Kenneth Davis won men's class A, with Dr. Chas. E. Seten Jr. carrying Davis to the 19th hole before losing 1-up. Carl W. Rude defeated Bob Davenport for the men's B title and Bud Wilson defeated Leighman Walker for the men's C title. Miss Janet Hart won over Mrs. Roy Thompson in the Women's Class A.

Gulley, Odle Top Legion Hitters During Season

Harold Gulley, the Harrisburg Legion's right fielder, led all hitters on the team for the 1956 season which ended Sunday. Dick Odle was runner-up and most consistent hitter on the club. Odle was blanked in only one game all season and that was the tilt with Corydon, Ky., in which the Legion collected 15 hits.

Top hitters are as follows:

Player	AB	Hits	Pct.
Harold Gulley	86	34	.395
Dick Odle	108	38	.352
Merle Dailey	40	13	.325
Ronnie Ziegler	99	29	.293
Bill McNew	60	17	.283
Bob Dallas	136	36	.265

Don Stout, Bob Roper, John Mills, Don Wallace all pitched good ball during the season and John Romonosky came on to give the team a lift in the last few games. Dick Romonosky, a catcher for the last few seasons pitched the final victory.

Additional Sports On Page Eight

By BILL MELTON

For the second consecutive week Bud Hamby has topped the "You Pick 'em" participants.

Hamby correctly picked nine of the ten games listed, failing only on the Blkville-at-Sesser game, which ended in a 7-1 deadlock. Bud gave the nod to Sesser in this one.

In taking top honors last week Bud, a linotype operator at The Daily Register, picked eight of ten correctly. That's really picking 'em, 17 of 20 in two weeks.

There were three tied for runner-up honors, each with eight correct selections. They were Ira Stille, athletic official from Harrisburg; K. O. Willis, coach at Carrier Mills, and Eddie Quade, HTHS student.

The list of games for this week's "You Pick 'em":

Carbondale	at Chester
W. Frankfort	at Murphysboro
Centralia	at Harrisburg
Herrin	at Benton
Du Quoin	at Anna
Mt. Vernon	at Fairfield
Cairo	at Metropolis
Cartersville	at Sesser
SIU	at Eastern

There is no entry fee and no prize. It's all in fun. The more the merrier. Make "Ol Bill" work harder, by sending in lots of entries.

All you need to do is look over the list of games, circle the team you believe will win and on the "game of the week" predict the score.

Seven Pitchers Have Tossed Perfect Games

NEW YORK (AP)—Here is a list of the seven pitchers who tossed perfect no-hit, no-run games in baseball history:

John Lee Richmond, Worcester (NL) vs. Cleveland, June 12, 1880, 1-0.

John M. Ward, Providence (NL) vs. Buffalo, June 17, 1880, 5-0.

Denton T. (Cy) Young, Boston (AL) vs. Philadelphia, May 5, 1904, 3-0.

Adrian C. Joss, Cleveland (AL) vs. Chicago, Oct. 2, 1908, 1-0.

x-Ernest G. Shore, Boston (AL) vs. Washington, June 23, 1917, 4-0.

C. C. Robertson, Chicago (AL) vs. Detroit, April 30, 1922, 2-0.

Don Larsen, New York (AL) vs. Brooklyn (NL) Oct. 8, 1956, 2-0.

x-Shore's performance in this game now is classified with "perfect games." Babe Ruth started as the Boston pitcher and was removed by Umpire Owens after giving up a base on balls to Morgan, the first Washington batter. Shore took Ruth's place and after Morgan was out trying to steal, Shore retired the next 26 batters without allowing a man to reach base.

For the first time in years Kentucky will have a deer season and the three-day hunt will be open to southern Illinois residents as well as Kentuckians, according to a release from Dawson Springs, Ky.

Nov. 8, 9 and 10 have been set aside for deer hunting in 27 of Kentucky's 120 counties. Dawson Springs is located in the midst of one of Kentucky's highest deer populated areas that may be stalked for bucks only with at least two points on antler and the limit is one deer per hunter.

Complete information regarding the deer hunting regulations and facilities may be obtained by writing the New Century Hotel, Dawson Springs, Ky.

Bull Pups Lose 42 to 6 Tilt To Mt. Vernon

Locals Score Lone Touchdown In Final Period

The Harrisburg Bull Pups came out on the short end of a 42-6 score when they played the Mt. Vernon freshman-sophomore football team last night at Taylor Field.

Mt. Vernon scored 21 points in each half as they rolled off six touchdowns, four extra points and made a two-point safety.

Lone Pup touchdown came at the outset of the fourth quarter. Bull Pup Wendell Fisher recovered a Mt. Vernon fumble on the M-23 and the locals marched to the two, where Jerry Kane went over.

The Pups were going good in the final minutes of the first half but time ran out. Big gain was a 34-yard pass, Bob Pavelonis to DeWayne Martin, which took the ball to the M-16.

Mt. Vernon made 11 first downs to three for Harrisburg. Here is the way Mt. Vernon scored:

In the first quarter Earl Woods made 16 to the one, then went over on the next play, and two points were added when Martin of Har-

risburg was tackled in the end zone by Skelton.

In the second quarter Peebles raced 15 yards to the 12 and Hawkins ran the remaining distance into the end zone to score, and Coleman Carrodine scored on a 19-yard run after Hawkins had intercepted a Harrisburg pass on the H-10. Hayes ran for the extra point on the last touchdown.

In the third period Woods intercepted a Harrisburg pass on the MV-30 and raced 70 yards to score. Woods took the ball over for the extra point.

Fourth quarter scoring came as follows: Hayes ran 37 yards for a touchdown and Carrodine went over for the extra point. Harrisburg fumbled when on the MV-14 and Sheridan recovered in the end zone for a touchdown. Hayes ran for the extra point.

The Pups go to Centralia next Monday night.

Don Larsen IN THE Sports Parade

By OSCAR FRALEY
United Press Sports Writer

NEW YORK — It was out of the doghouse and into the hall of fame today for towering Don Larsen, the first man in history to pitch a perfect game in the World Series.

None of the baseball immortals ever had accomplished a classic perfect game in which not a batter reached first base. Only three men — Ed Reulbach in 1906, Claude Passeau in 1945 and Bill Bevens in 1947 — had recorded one-hitters in the series.

So it remained for the six-foot, four-inch Hoosier, who is regarded as a modern Rube Waddell, to perform the impossible with baseball's first perfect game in 34 years and he did it in a breathtaking 2-0 victory over the Dodgers.

It was even more startling in that the 27-year-old Larsen had lasted only one and two-thirds innings when he made a second game start against Brooklyn. And in the fact that, a noted night time player, he performed his feat in the bright, crisp sunshine which flooded Yankee Stadium.

Repayment to Stengel

It was repayment to Casey Stengel, the grizzled Yankee skipper, for his faith in the big mahogany mauler.

Because in July of 1955, with the Yankees in dire straits for pitching, Casey overruled pitching Coach Jim Turner and brought Don back from Denver. And just last spring, when Larsen climbed his car up a Florida pole some five hours in the dawn after curfew, old Casey smoothed things over for the big fellow.

But doghouse Don squared all the accounts Monday as he used only 97 pitches to face 27 men and send all 27 raging back to the dugout.

It took two big assists. Gil McDougald gave him one in the second inning when Jackie Robinson lashed a drive off Andy Carey's glove but Gil took the ricochete and threw him out. Then, in the fifth, Mickey Mantle made a spectacular grab of Gil Hodges' long belt to left center.

Uses "No Windup" Windup

Larsen, with the "no-windup" windup he fashioned only a few weeks ago to disturb the hitters' timing, took it from there as he finished off the first perfect no-hitter baseball has seen since Charley Robertson of the White Sox did it on April 30, 1922.

There have been, counting Larsen's, only seven perfect games in which not a runner reached first in the history of baseball. The first two were only five days apart. The last one was recorded seven years before Larsen was born.

It was a long while coming. But then, Larsen has the temperament of the ancient masters of the mound. He is well fit, you might say, to walk in their hoary company.

Rumor Veeck May Purchase Ringling Circus

NEW YORK — Bill Veeck, former owner of the Cleveland Indians and the St. Louis Browns, was reported today by the New York World-Telegram and Sun to be negotiating for the purchase of Ringling Bros., Barnum & Bailey Circus for 2 1/2 million dollars.

The newspaper said Veeck discussed the matter during the week end with John Ringling North, principal stockholder and president of the circus.

If the deal should go through, the World-Telegram and Sun said, it could mean a re-birth of the tent circus which Ringling abandoned this year as "a thing of the past."

Neither North nor Veeck was available for immediate comment.
